PRESIDENT'S MESSAGE

Last week's round produced a new competition leader as Wyong Roos proved too strong for The Entrance Tigers in a quality game of Central Coast Rugby League. With only one point separating both sides it will be a race for the minor premiership with Wyong having the more challenging run home. Kincumber hit back with some recent form overcoming Erina edging their way up the ladder where they are of striking distance with Eagles and the Woy Woy Roosters whom easily accounted for Ourimbah.

This week will see the featured match of the round between Woy Woy and Kincumber at Woy Woy Oval starting at 2.30pm on Sunday and will also be live streamed on BarTV through our facebook page Central Coast Rugby League. A chance for Kincumber to leap ahead of Woy Woy or for the Roosters to stake their claim on fourth spot. Erina meet with Berkeley Vale where the Eagles are in need of a wanted victory hoping to starve off a gallant panthers outfit. The Entrance will look to bounce back with a win over Ourimbah and Terrigal host Wyong in a big task for the sharks.

A reminder that clubs are responsible for their player/spectator behaviour under the Code Of Conduct and may we all ask that respect is given to the game of Rugby League as a product and respect the decency afforded to all stakeholders. The Code Of Conduct is contained within this program for reference.

Good luck to all Clubs & Officials in this week's matches.

Regards,

Gerard Andrews

Eagles News

It was a freezing, windy & horrible night, with the result much the same. The Eagles travelled to Kincumber South hopeful of victory and excited by their 1st Saturday night game of the year, unfortunately our top side were out enthused and out muscled for most of the match and, like most of the spectators, wishing they had just stayed at home. Despite missing almost half of the top team, Coach Dane Allen was still expecting to win and certainly a better performance from the boys. Continuing on his good form, Players Player was Jake Fitzpatrick, who never stopped scheming closely followed by DL and big Tyler O'Brien.

2nd Grade took on the premiership leaders and came away believing they should have probably won or at least shared the points. 2 contentious decisions late in the game, one which lead to Reggie being sin binned, really made it tough for our boys. Coach Liggo was surprisingly upbeat after the game in what was probably our best performance of the year. Leading from the front as usual was Otene, Damo and Leary with lock forward Kurt getting through a mountain of work in the middle. A penalty goal awarded to the Colts with seconds to go gave the home side a 16-14 win.

Open Grade bounced back in style with an impressive win over one of the competition favourites 18-12! The 1st half was as tough as it gets, both sides ripping into each other, no quarter given. One of the Eagles Fave sons & no doubt Bolts - Matt Ahearn made a rare appearance and had a major impact on the result, lifting little brother Booz to another level. Both of the boys scored tries and took most of the after match awards. The Eagles version of the Brady Bunch, Dylan and Damon, lead the charge up the middle against their old club.

They certainly copped heaps but gave it back in spades and came out on top.

LLT Report - The team's goal this week was to keep building on our previous week's effort and the girls took the field focused to do that. We had good field position for most of the half and that allowed our backs to run into plenty of space and that resulted in an 18-0 lead at half time. The second half was similar but the Kincumber girls never gave up and tried to rally but our defence was solid and as a team are improving each week. In a good team effort Ash Russell got players player with a polished display at fullback, Amelia Carroll got the 3 points with a solid game in the middle with Lucie 2 points and Bronty 1 point after both having great games. The Kincumber girls never gave up and are in the battle for 5th spot so work hard girls and don't give up.

This week we are at home and starting to get some cattle back as we head towards the business end of the competition. Both teams are fighting for the points up for grabs.

We would also like to thank all of our loyal sponsors!

Panthers News

1st Grade Report - Unfortunately, Northern Lakes forfeited 20 mins before kick off, our players and supporters were not happy with what happened but the Berkeley Vale Club understand why it happened.

Reserve Grade

The panthers came out firing at the start to score 3 quick tries with one more towards the end of the first half to lead 18-0.

In the 2nd half we managed to score 2 more try's, but our ball control was poor, and our discipline was lacking to concede a number of penalties which enabled Northern Lakes to score 2 tries towards the end. The final score being 28-10.

Women's Tackle

The Women's next game is against Awabakal on Saturday 20th July at Walter's Park at 1.50pm. Next home game is against Maitland United on Saturday 27th July at Berkeley Vale Oval at 4pm.

Berkeley Vale Rugby League & Sports Club would like to thank our Sponsors, for their continued generous support of our great club.

Sharks News

The Sharks travelled to Toukley on the weekend and with the Sharks already taking the points with byes in 1sts and Ladies League Tag, the Seconds and Opens both had solid wins to complete a successful day.

The Sharks Open grade side travelled across the Entrance Bridge to Toukley where we knew we had to perform with any hope of our season being kept alive. Our first half of Rugby League was a season high, where we repelled the Hawks and took advantage to cross for three tries and went in leading 16 - 6 at the break. The second half we went back to making plenty of mistakes and let the Hawks back into the game but it was our defence that won the day with a 26 - 10 final scoreline. The three points and Players Player went to Mick Brown who is just getting better and better after being moved to the centres and was rewarded with a great try, the two points went to Kye Cornwell who performed outstandingly in the second row and crossed for a double, while the one point went to veteran Craig Starr who did the hard yards and showed us his experience on the paddock. Logan Rae and Blake Biggs were the other try scorers with Michael Palmer adding three conversions.

Great effort on the weekend by the Sharks Reserve grade side in what would be, I would imagine, one of the youngest graded sides that the Sharks would ever have put on a rugby league field. We fielded five seventeen year olds on the weekend and with many casualties on the sideline, they did an absolutely outstanding job. We also had four guys back up from our third grade side who were exemplary as well, great effort all round. The side trailed early but had levelled up by halftime and finally got the better of the Hawks to run out 36 - 18 winners. Harry King continued his good form down the right edge bagging a triple and the three points as well as Players Player for the day. Two points when to one of the young bulls Caydn Rosemeyer and one point to hooker Bayleigh Grim. The awards and points could have gone to any number of players it was an outstanding effort all round. Big game against one of the front runners this week and let's hope that we can continue the improvement in form toward the back end of the year.

Roos News

The return clash of the competition heavyweights took place on a blustery Sunday at Roos HQ. Whilst Wyong managed to win three from four, no greater light was shed on the big end of season issues. The Ladies got the better of the previously undefeated Tigresses, but how much can be read into that victory is a matter for conjecture. Open Age did not play well and were lucky to scrape home by a goal. Reserve Grade was soundly beaten by a Tigers outfit which will take some stopping. The 1st Grade scoreline did not tell the whole story as the home team did not comfortably gain the upper hand until the final 15 minutes of what had been a very close match to that point.

Wyong 18 - The Entrance 0

Despite several key personnel being absent, The Entrance defence remained well organised and difficult to unlock. First points did not come until the 17th minute when half Kelsey Clark grubbered into the ingoal then won the race to the ball. A quick shift in the 24th minute allowed fullback Holly Gibbons to sweep from fullback and create a two on one. Holly exploited the resulting hesitation to slip between defenders and score. The home team took a 10-0 lead into halftime. Erin Kessler broke clear in the 31st minute and looked certain to score only to be tagged a few metres from the goal line. Wyong reattacked the short side and Chloe McClymont completed the job with a touchdown in the north east corner. The Roos crossed again in the 36th minute. Kristen Kessler went hard on a kick chase and corralled the opposition in the ingoal. Wyong probed from the restart with Erin Kessler eventually releasing Olivia Glanville into space with a long cut out pass to the left. The green and gold were good but will need to be better if they have to defeat the Premiers again. The Entrance at full strength are formidable and deserve to be competition favourites notwithstanding this loss. The Players' Player Award went to Erin and the Coach's Award to Kelsey.

Wyong 20 - The Entrance 18

The Entrance are dangerous because the players are prepared to work hard for 70 minutes and compete on every play. The Roos have the ability to conjure something from nothing but remain prone to fading in and out of games and are vulnerable to persistent opposition. The home team scored first in this match. A right side spread in the 4th minute created an extra man. Right centre Kyro Hallett capitalised with a regulation draw and pass for veteran back Wade Bryant to score wide out. The Tigers responded in the 23rd minute when left wing Matt Gentles found space on the outside of the Roos defensive line. Wyong hit back 6 mins later. Half Michael Smith attacked the short side then passed inside looking for his fullback Kane Ralph to test the soft spot behind the ruck. Ralph blew the hole and passed for Jeremy Tunks to finish the movement. Tunks converted his try giving Wyong a 10-4 lead going into the break. The visitors narrowed the gap in the 38th minute. Taking advantage of good field position, five eighth Mitch Hall grubbered into the ingoal late in the tackle count. Ralph attempted to escort the ball over the dead ball line, but a Tiger flashed past and tapped the ball back as it threatened to go dead. Jarrad Sharp was on hand to ground the rolling ball. The Roos regrouped and began to apply some pressure at the other end of the field but ill directed passing cost at least one scoring opportunity. Back-rower Matt Pouhila eventually powered between defenders to score. Ralph made it consecutive tries for the Roos when he regathered his own kick in the 48th minute and planted the ball in the north west corner. Tunks converted and the green and gold were suddenly out to a 20-8 lead. Wyong subsequently conceded three penalties in succession within its own territory. Prop Kyle Webb capitalised with a classic hit and spin. The conversion left the Tigers within striking distance. Matt Hedges scored in the south west corner with less than 60 seconds remaining. The Entrance needed to convert from the sideline to snatch a draw but the kick was waved away. Carl Pearson received his team mates' vote as Players' Player. Hallett received the Coach's Award.

The Entrance 30 - Wyong 18

Roos centre Tomi Kaati took an early intercept as The Entrance pressed the Wyong line and raced 70m before being rounded up by the Tigers. The home team was unable to convert that advantage into points. Visiting half, Jarod Hamer, intercepted a Wyong pass in the 16th minute and raced 80m to score. Tigers backrower Josh Walsh charged down a kick in the 26th minute, recovered the ball then ran 35m to touch down. Jake Slee converted to give the visitors a 10-0 lead. Inside the last minute of the first half, Aaron Heaven kicked crossfield with Bryce Burgun as his target. The tall winger leapt above the defenders and came down with the ball for the Roos only points of the period. Slee stepped inside his marker in the 38th minute then dived into the Wyong ingoal to score. Slee converted his own try to extend the visitors lead to 16-4. Wyong was not playing with enough energy or imagination either side of the ball to worry the Tigers. The Entrance ran in two more tries. Points came to the green and gold only when the team began playing at an increased tempo and with more aggression. The five tries to four loss was not an accurate reflection of the difference between the teams and somewhat flattered the Roos. Kaati received the Players' Player Award. Daniel Navarro collected the Coach's Award.

Wyong 32 - The Entrance 12

The Entrance was fast out of the blocks, scoring in just the 3rd minute of play. Wyong retreated on tackle five, inviting the visitors to run the ball on the last. Left wing Perry LeBroque kicked as he was hemmed to the sideline. Adam McInnes chasing hard infield received a favourable bounce and offloaded for the fast-following Mitch Jacobs to score. Matt Killick converted from wide out. The Roos reply came 10 mins later. Half Terence Seuseu provided a late offload to Luke Sharpe. The Wyong fullback instantly summed up the situation and spiralled a long pass from right to left giving winger Jake Scicluna sufficient time and space to score in the northwest corner. The visitors lost the ball on their own 20m line in the 27th minute. Wyong probed both sides of the ruck before Sharpe engineered room for left centre Zane Rickit to squeeze between defenders and touch down. The home team led 12-6 at the end of a tense, high quality first half. The lead was extinguished in the 43rd minute. Sione Tonga put Jacobs through a yawning gap. Killick added the extras. Josh Mantellato regained the lead for Wyong when he kicked a penalty goal in the 60th minute. The Roos then crossed for three unanswered tries. Seuseu and right back rower Tarnae Mahon combined in the 64th minute for centre Luke Dolbel to complete the movement. Dolbel was at it again in the 71st minute. Skipper Mitch William engineered space for Seuseu. As the defence converged Seuseu once again found Mahon in support. Mahon, still on his red "P"s for kicking, heard Dolbel's call and delicately stabbed the ball crossfield and into space. Dolbel easily won the race to the ball. Seuseu scored a solo try in the 75th minute, again exploiting some space created by Williams. Mantellato held another kicking clinic, successful with six goals from as many attempts. Scicluna was his teammates choice as Players' Player. Wyatt Shaw's work ethic snared him the Coach's Award.

CODE OF CONDUCT - PENALTIES

Clubs are responsible for the conduct of their players, parents/carers of players, coaches, officials and spectators.

1. No person/s attending a match shall:
 - a. Use offensive or obscene language to any player, coach, referee, touch judge, official or other spectator;
 - b. Enter the Field of Play during the course of a match without the prior approval of the Ground Manager appointed by the home club and/or league;
 - c. Dispute the decision of a referee or touch judge either during or after a match;
 - d. Assault or act with aggression to any person/s;
 - e. Behave in a way contrary to this Code of Conduct and/or the spirit of the game;
 - f. Behave in a way which disturbs the enjoyment of the match by any other person/s, or brings discredit to the home club and/or league;
 - g. Act in such a way as to exhibit racial intolerance, by language or other conduct, to any other person/s;
 - h. Refuse to accept the reasonable direction of the Ground Manager, official of the home club and/or league, or official of the team/club which that person/s is supporting.
2. Any person/s contravening Rule 1 may be reported by the Ground Manager to the Team Manager or other official of the team which that person/s is supporting. Where a team does not have a Team Manager present, a request or direction from the Ground Manager to any official of the team or the team's club shall be regarded as a direction to the Team Manager for the purposes of this Code.
3. The Ground Manager and/or Team Manager must advise the offending person/s of the relevant breach of the Code.
The Ground Manager must note the details of their report to the Team Manager on the reverse of the team sheet.
4. In the event that the inappropriate conduct continues, the Ground Manager and/or Team Manager may request the offender/s to immediately leave the ground. This should also be noted on the team sheet.
5. In the event the person/s refuses to obey the direction of the Ground Manager and/or Team Manager, the Ground Manager may direct the referee to terminate the match. In the event that the match is so terminated, the club/s and/or league/s committee may, at its absolute discretion award the competition points to the non-offending team, or declare that neither side shall be awarded competition points for that match.
6. Clubs which do not exercise control over their players, parents/carers of players, coaches, officials or spectators may be called upon by the league to accept responsibility for their actions and the following penalties may apply (in addition to penalties which may be imposed by the league's judiciary):

- **FIRST OFFENCE**

A fine not exceeding \$500, and/or loss of competition points, and/or suspension of the player from playing, and/or suspension of the offender/s from attending future matches.

- **SECOND OFFENCE**

Suspension of the player, and/or team and/or club from the competition on a temporary basis.

- **THIRD OFFENCE**

Suspension of the player and/or team and/or club either for the remainder of the season, or permanently.

Tigers News

The Central Coast Cleaning Contractor's First Grade

Tigers winning streak came to a halt against a committed and well organised outfit in Wyong on the weekend. Although locked at 12 all 15 minutes after halftime, the Roo's put on a dominant display midway through the 2nd stanza to run out victors 32-12. Wyong are undoubtedly the benchmark of the competition and although we tried we will need to be a lot better in a number of areas to compete next time we meet. Best for our boys was Adam McInnes who did well in a new position after a last minute reshuffle forced him to fullback prior to the match. 2 points went to Timmy N who tries his heart out every week. 1 point went to Will Pearsall who kicked well early and tried his best to get us back on track.

The Rapid Clean Central Coast Reserve Grade Tigers faced off with the Wyong Roo's at Morrie Breen Oval. The Tigers were looking forward to the challenge that Wyong always present and prepared accordingly. The game started in typical fashion with both teams battling for momentum and field position. A couple of opportunist tries saw the Tigers take a 10-6 lead to the break. The Tigers started fast in the second half and dominated to take the score out to 30-10 before the Roo's hit back late. A good effort which is closer to the 70 minute performance the boys are after. Final Score Tigers 30 Roo's 18.

The Coca-Cola Amatil Open Age Tigers fronted up to a great day at Wyong for Naidoc Round which is a massive day and week that should be recognised in Rugby League. We knew the importance of this to our Indigenous Players and also the Indigenous Players from Wyong. There was plenty of feeling in some of the runs and tackles from both teams during this contest, this game felt like ground hog day losing to Wyong by another 2 points! Great tussle but we seem to keep finding ways to shoot ourselves in the foot on too many occasions with too many errors and penalties. The effort is there but we need to find a way to keep a cool head and relax on the field to stick to the game structure and tactics we have in place, if we do this we will be a very hard team to crack. Our halves pairing changes each week due to injury and players going away, so this makes it hard to get the right balance to get the job done, but another hard week at training should get us back ready for another hard game with Eddies! Best on the day was Connor, Webby, Curtis and the flying Matty Gentles out wide. Aaron McKeon also laid a great platform early in the game as well. Thanks to all my Staff and Woodo for your assistance with our side, it makes a big difference having your Head Coach around your Opens side, building confidence for the fellas. Cheers Jurdy

The Pallister Promotions League Tag Tigers Round 13 top of the table clash between The Entrance Tigers and Wyong Roo's unfortunately clashed with other sporting events which meant the Tigers girls only had 9 available players and needed to borrow a couple of Juniors to field a side. The game started in grinding fashion with both teams playing field position. Off the back of some good field position and a tiring Tigers defence, the Roo's were able to get the first try of the game in the 15th minute with a grubber and chase from their 5/8. The Tigers girls did well to defend an onslaught from the Roo's over the next 10 minutes but cracked just before halftime to go in the sheds 10-0 down. The second half started with 2 tries in the first 10 minutes to take the score out to 18-0. This was a good opportunity for Wyong to claw some for and against back from the table leaders, but the Tigers girls lifted and didn't leak another point in the final 15 minutes to keep the score at 18-0. There were some real standout performances with Players Player Brooke Peachey playing a full game with a broken hand. Rochelle Shearer was outstanding in her first game of the season, while 16 year old's Montana Wilson and Emily Fealy both had great games playing in their first senior game. Coach Craig Cawsey could not be prouder of the effort his girls put in. They gave their all and left nothing in the tank.

Roosters News

Welcome to all the Roosters players, coaching staff and supporters to our Round 14 game against Kincumber at Woy Woy Oval today.

Looking forward for all grades to continue on with wins this weekend.

An apology to all our players, coaching staff, committee, sponsors and supporters, Wand printing, Leanne Hayne and all concerned at Division for not getting our reports and team lists in last week.

Apart from the results of The Entrance game I wanted to pass on some thanks to Shelley Nicholson who looked after the canteen, Paige Slattery for picking up the programs and a big thankyou to the players from all grades who have assisted at recent home games as well.

Today's games are all must wins for all grades and it promises to be a cracker of a day.

A reminder to all of our 90th Celebrations coming up Saturday 3rd August when Fletch and Hindy are heading to Woy Woy Leagues cost is \$150-00 which includes admission, entrée and main meal with a 4 hour drinks package plus lucky door prizes.

Get in quick and get to see Fletch and Hindy on their first visit to the Peninsula.

The Woy Woy Leagues LLT girls had a tight, hard fought but very welcomed win against the Maggie girls 8-4 with Shay Bugelli and Jasmine Wolfe both crossing for a try each. Best on the day for us were Players Player and 3 points Shay Bugelli, 2 points Jasmine Wolfe and 1 point to Ella Wolfe..

Our Orana 2nd grade team were too good for Ourimbah crossing with a 42-12 win. Try scorers for us were Billy James a trifecta, Darcy Etrich 2, Tyson Flanagan-Walton, Adrian Jones and Brenny Edwards 1 try a piece with Brenny kicking 2 goals and James Croot 3. Best on the day for us were Billy James 3 points, Boydie Symes 2 points and Tyson Flanagan-Walton 1 point. Looking forward to the game against Kincumber if we can get a full squad today we'll be more than a match for them.

The Kennards Hire 1st grade team took on the Magpies looking to get back on the winners list. Our left side started brightly and good ball movement down the left saw Blake Mattei score under the post for a 6 nil lead. Chris Hyde broke the line and Mattei was again in support to run 60 metres for an early double. The right side joined in on the attacking flare and some slick movement saw Curtis Naughton score under the posts and moments later the right side combined again this time Naughton setting up Alister Beale to score and convert for a 24 nil halftime lead.

The scoring continued in the 2nd half after a cracking 40/20 from Hyde, he then had the smarts to catch Ourimbah's defence napping and he dived over for the first try of the half. Another crisp move from the left edge saw Mitch Manson cross for his first try of the afternoon and moments later Manson was in again after some good attacking play from the scrum.

Mack Fawcett capped a solid game with a try and not to be outdone his back row partner Rhys Ryan dashed over from 50 metres out to round out the scoring. It was a solid all round game from the squad of 17 as we look to build momentum during the run home. Best for the Roosters was Mitch Manson with 3 points and players player, Mack Fawcett continued his recent good form with 2 points and the young front rower Jade Mason 1 point who laid the foundation in the middle of the park.

All at the club wish Daniel Markham a speedy recovery from his surgery last week and also to Lee Slattery who underwent the knife to help out his son Cooper lets hope you're all up and about quick smart.

Finally again thanks to all our loyal supporters and much valued sponsors for your support today and throughout the season.

Colts News

PRESIDENTS REPORT

Another great day for our club, 2 great wins and a close loss highlighted a very cold and windy night game at McKillop against Erina. First grade proved to all of us that they are a good team who can play for each other, never letting Erina into the game. Reserve grade won again (unbeaten) for the season, opens were beaten in the last couple of minutes and the girls tried hard as normal.

The club management would like to thank all the players who helped set up and stayed all day vigorously cheering on all our teams from the stable. Once again thanks to all our supporters who braved the weather and to our many sponsors and old boys who made it a successful night for the club. Don't forget to book early for tickets for our sportsman lunch advertised in this program we have limited tickets left. Regards Graham

FIRST GRADE

The rain again played its part in not allowing the Colts to have 2 full training sessions this week which leaves us with only 3 training days in 4 weeks, but with the enthusiasm of the combined seniors squad we were able to have a quality run on Thursday before our game against Erina Eagles.

The First-grade squad were keen to play one of the main contenders for the Central Coast Rugby League premiership and test their skills an ability. The game was played at a quick and enthusiastic pace and the Colts gained the upper hand early with a nice try to season campaigner Jake (Sam) Shearer. There were errors from both teams early which kept the game in an arm wrestle until the Colts skipped away with 2 quick tries to Blake and Tyson (Toony Tiger) and then with some real aggression and commitment in defence the Colts took a 16-0 score line into the sheds at half time.

Erina came out firing in the second half as expected but the Colts defence held solid throughout the game which laid a nice winning platform. The seniors of the squad Brad Bennett, Tom (Rocky) Murphy, Brendon (Who ate all the pies) Hurd, Jake (Sam) Shearer came with their intent tonight and they showed the way for the younger guys within the team. Brodie Cooper continues to show real promise at the back with his good talk and hard running, Wade Hanell again was solid as was the flyer Sam Paul who scored a good individual try as well as kicking goals, Matt Stone was great in the middle with a starting role this week and really showed he wants the job. The rest of the team worked well within the team structure and did what was asked of them. But a special mention to the guy who was self-motivated tonight and showed his class as a leader and ex-elite player that was sharp and ruthless and clinched the game with a very boring barge over try well done Ian (Hendo) Henderson.

It was great to see a big crowd at the local derby and thanks to all the faithful in the Stable situated at the end of the ground. The boys thrived off your support. Bad luck to 3rd grade going down unluckily but I know Aaron will get them up next week and to Butch Byrnes and his side, what a wonderful hard slogging win to stay top of the table, it makes a good club great again with that attitude.

A tough assignment next week when we come up against the inform and now favourites to win the competition Woy Woy Roosters at Woy Woy Oval. Again, we will need to be at our very best to beat them as they are flying and will be hard to stop. But one step at a time and who knows?

RESERVE GRADE

The colts reserve grade had a hard fought 16-14 win over Erina at home. In a grinding game with 3 tries scored each, the result was decided by a penalty coolly slotted over by Reece Pipers. With a few changes over the last week's which is standard for the 10 clockers the boys again just found a way to win. We now must start building our combinations to keep focused each week on improving the non-negotiables in our team. Special mention to our young guys Josh and Reece and to Jase who backed up.

1point to stubbsy in a solid game in attack. 2pts to Logan and 3 points Al Rosario, who both led our pack in a tough forward battle. Well done boys.

OPEN AGE

Round 13 saw the local derby vs an experienced Erina team ready for a war, after a very physical start to the match by both sides, Erina scored the only try of the half going to the break with a 4-0 lead. After the break the boys came out firing and got the next two tries to lead 12-4. Off the back of some dropped balls in attack from the boys, Erina bounced back to score the next two tries and win the match 18-12! Was a grinding game and considering we lost some big game players in the first half, the boys dug deep to stay in the game for the whole 80. Well done boys we'll be better for the loss.

3 points and players player to Braydo, ripped in in-attack and defence all day against his former, club good game bra.2 points to Josh Cummings, was classy at hooker, and 1 point to Orisi who just leads from the front in everything he does! Looking forward to the big games ahead.

LADIES LEAGUE TAG

The girls knew it was going to be a tuff game against Erina, even with some strong defence from the colts, Erina ended up with the win. The points were hard to share, as all our girls put in a great effort.3 pts went to Ash, as she was everywhere on the field. Ash had a great kicking game, she tagged well and backed up her team mates, great effort Ash.2pts went to Teagan, who played outstanding both in defence, tagging and handled the ball well in offence. Well done Teags. 1pt each went to Taylah, and Stacey, as their defence work and tagging really helped the team, awesome work girls.

Well done to all the girls, it was a great effort by all. Good luck in the next round to all grades against Woy Woy.

A special mention must go to our major sponsor the Doylo. We really appreciate their continued help and support. Don't forget our after match presentation each week in the Smokehouse at around 6pm on Sundays. Supporters are most welcome. Keep Friday 27th September free for the Warriors presentation night at the Doylo starting at 6.30 pm. More information later.

Ladies Report

The girls came out with a positive approach and played accordingly. They defended their line well and applied a lot of pressure on their opponents with the footy and took control of the game. The girls were committed for the whole game and gave 100% in every contest of the game. The whole team played very well and are starting to hit their straps at the right time. Hard work will continue to see this team improve.

Thirds Bye.

Seconds report

The boys started poorly and never got going until late in the first half. poor ball control and a massive amount of penalties had the boys on the back foot for most of the first half. In the second half the boys decided to be more patient and showed glimpses of some great footy.
